COMMERCIALIZATION OF TECHNOLOGY IN/FOR CSIs

AGNli – Accelerating Growth of New India's Innovations

- The Office of the Principal Scientific Adviser, Prof. K. Vijay Raghavan and the Cabinet Secretariat of Government of India have launched a flagship initiative for Accelerating Growth of New India's Innovations (AGNli)
- As the **National Technology Commercialization Program**, AGNli provides dedicated support for commercialization of India's R&D and innovations, to assist **transform indigenous innovative technologies into commercially viable products**
- AGNli captures Market ready innovations across India on AGNli web portal and connect Innovators to industry & government buyers for technology transfer
- The program is executed by a dedicated team **housed at Invest India**, the National Investment Promotion and Facilitation Agency, constituted under the Department for Promotion of Industry and Internal Trade (DPIIT) of the Ministry of Commerce and Industry

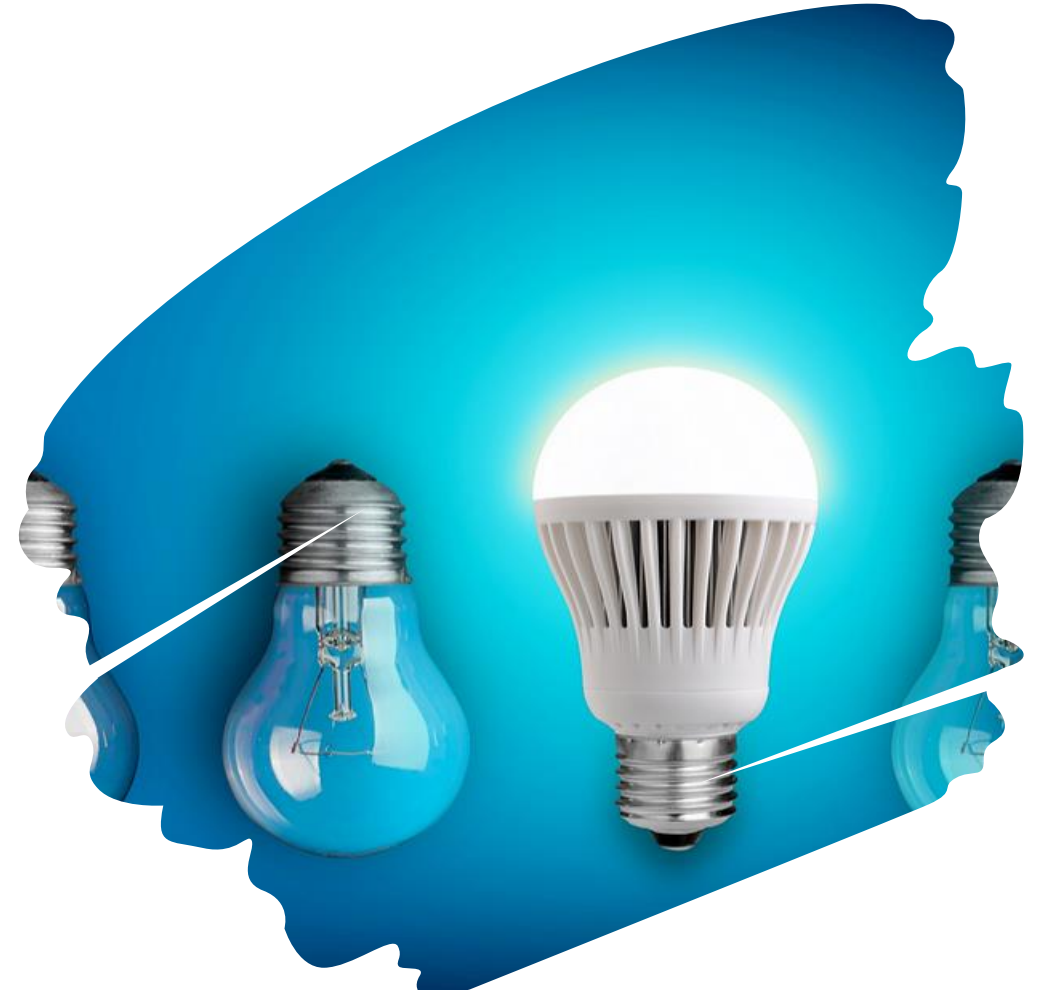

Examples of Technologies in the AGNii Database

RECOMMENDATIONS

Recommendations

- Facilitating Cross border Technology transfer
- Follow demand driven approach towards technology scouting
- Identification of the best practices on technology transfer in neighbouring countries
- Policy recommendation based on the identified best practices

Thank You
