IUT Incubation Center

Incubation Center of
Inha University in Tashkent
was opened on November 26, 2020

The incubation center creates
favorable conditions for implementing
the original scientific - technical ideas,
the effective operation
of small innovative projects.

Plan - completion of 2 incubation
programs in 2021 and holding events
for 20 start-up projects

The main goal is to increase
the quality and quantity
of created innovative products
among talented students.

The goal is to involve 15-20 projects in the
incubation center program by the end of 2021,
developing two hackathons and 20 start-up
projects.
